Over the last five years, during our conferences, crusades and home meetings, Jesus has healed: Alzheimer's, asthma, arthritis in a young gangster, bulimia, back problems, chest tumour, coma, deaf ears, diabetes, detached retina, epilepsy, 12 yrs of hair growth/scalp problems, hips, hole in the eardrum, hydrocephalus = water brain of unborn child, knee damage, nerve damage from cobra bite, root canal, 30 yrs of stomach pain & inner bleeding. Jesus also delivered from anger, disappointment, domestic violence, fears, inability to dance, lust, nightmares, orphan spirit, pornography, soul-ties after adultery, scars of sexual abuse, unforgiveness, victimization, zombie symptoms, retarded development – a 3 yr-old who could not speak or crawl started to develop within 1 week of prayer and was running within 3 months. And because of his love Jesus can do such things for you too.
